INTERVIEW SUMMARY

The undersigned representative thanks the Examiner for the courtesy of the telephone interview held on August 22, 2006 during which the Examiner suggested amending line 3 of claim 23 to include the phrase "from the encoded symbols" after the phrase "multiple symbols" and to include the term "encoded" before the term "symbols" in line 4 of claim 26. The applicant's representative agreed to the suggested amendments. The Examiner subsequently entered the amendments and issued a notice of allowance. A request for continued examination and information disclosure sheet is being filed so that the Examiner may consider a reference obtained in a corresponding foreign application.

Respectfully submitted,
